2x Eternity

Liz posted a new blog entry about our 23 day passage from the Galapagos to the Marquesas. Her observations always make me laugh. They also make me feel slightly guilty of nerdyness. Am I really that obsessed? Enjoy!

We were in The Temple Bar Sunday and saw Dave Browne together with Sharon O'Brien, Clare Peelo and Jenny Duffy paynig. It was marveless.Back in the Netherlands I followed Dave on my laptop.Congratulations with this record of gitar play. We enjoyed it very much to be in the Temple Bar with all the music, the gitar play and especially the record by Dave.Love from Hans & Antoinette.
